Demographic Transition in India - Your Article Library It is important to examine the process of demographic transition in India in order to anticipate future trends in growth in population. Historical and contemporary trends have shown that the transition itself and its pattern, sequence and timing may vary greatly from country to country and over time (UN, 1971). Demographics--Consumer Behavior Demographics . Demographics are clearly tied to subculture and segmentation. Here, however, we shift our focus from analyzing specific subcultures to trying to understand the implications for an entire population of its makeup. Several issues are useful in the structure of a population. For example, in some rapidly growing countries, a large percentage of the population is concentrated among younger generations. In countries such as Korea, China, and Taiwan, this has helped stimulate ... The Impact of Factors Influencing the Buying Behaviour on ...
