Please note this title is suitable for any student studying: Exam Board: AQA Level: GCSE Subject: Physics First teaching: September 2016 First exams: June 2018 The UK's bestselling GCSE Science series has now been updated and specifically tailored for the new 2016 AQA GCSE Science (9-1) specifications. Supporting your students on their journey from Key Stage 3 and through to success in the new linear GCSE qualifications, this series help students and teachers monitor progress, while supporting the increased demand, mathematical content, and new practical requirements. This Student Book offers: - Fully integrated and differentiated support tailored to the new 9-1 GCSE specification - Practical feature and chapter to support the required practicals and skills - Maths chapter and worked examples to support the increased mathematical demand of the new GCSE - Synoptic links and questions to develop synoptic skills - Differentiated and ramped questions based on our new GCSE assessment model - New practice questions including maths, practical, synoptic, and extended writing Please note: Answers to the Student Book questions are available in the Teacher Handbook and Kerboodle resources. Non-school purchasers requesting answers may contact OUP customer services at schools.enquiries.uk@oup.com who will be happy to supply them free of charge.
