G. Winter - Free eBook DOWNLOAD | READ Farewell to the Master (2000) by Harry ... review 1: This book barely made it to three stars with me and did only because of the classic status the book has. I read this once I found out it was the (very loose I would say) basis for the Day the Earth Stood Still. Farewell to the Master by Harry Bates - Goodreads Farewell to the Master is a great example of your classic science fiction - gritty and simple. It does exactly what the classic science fiction genre tries to do, with the same characteristic flaws of the genre - that is, unadorned prose, two-dimensional characters, and naive view of society - but coupled with the strengths, which is the showcase of an idea. Perhaps the flatness of the classic ...
