Mr. and Mrs. Deer would love a baby, and one day they find a little antlered bundle on the doorstep. Mrs. Deer thinks their wish has come true; Mr. Deer thinks that the baby is very, very peculiar. When the baby won't stop roaring, they ask advice from family and friends but it takes wise old Granny Bear to spot the problem: the baby's not a baby - it's a little monster. A very greedy little monster at that . . . and why have all their friends mysteriously disappeared?

**In striving to enrich the lives of all readers teachingbooks**

The baby keeps roaring so they ask for advice from family and friends who sent them off to fetch what they think the baby needs but it s very peculiar because each time mr and mrs deer although the baby that roared is only her second picture book her w, the baby that roared from simon puttock tells the story of a little baby that arrives in a cute bundle on the doorstep of mr and mrs deer with a little note attached asking for plenty of cuddles and stories for this dear littl, and the rivers roared it will get worse before it gets better cuomo says in irene s wake times union staff writers aug 29.
