Henry VII and the historians – The History of England But I'd suggest most English people were better off under Henry VII than under Henry VIII and under Somerset with their wars that virtually bankrupted England. I am just reading a book set at the times of Kett's rebellion, and it is clear the policies of the wealthy and the wars against France and Scotland in the middle of the Tudor period really hurt the common people. Likewise at the end ... ENGLAND UNDER HENRY THE EIGHTH - [england-history.org](http://england-history.org) On the accession of Henry VIII, he was promoted and taken into great favour. He was now Archbishop of York. The Pope had made him a Cardinal besides, and whoever wanted influence in England or favour with the King — whether he were a foreign monarch or an English nobleman — was obliged to make a friend of the great Cardinal Wolsey.
